

EMERGENCY DECK FILL PLUG

357390, 357390-1, & 357390-5

Sea-Dog's Emergency Deck Fill Plug is the perfect temporary solution for lost deck fill caps. Fits almost all 1-1/2" deck fills including gas, diesel, water, and waste, providing a quick and inexpensive way to keep boaters on their way until they can replace their OEM cap. The special Nitrile-Buna rubber is gas, oil, and diesel resistant. For temporary use only.

MOLOTOV COCKTAIL

EMERGENCY GARBOARD PLUG

520059, 520059-1, & 520059-5

The Emergency Garboard Drain Plug is the perfect solution to make sure you always have a plug handy when you lose yours – as everyone almost always does. Attach the lightweight bright orange plug to your key chain to act as an always-on-hand replacement and a reminder to always replace your plug. For temporary use only. Constructed of injection molded nylon.
